Students of Robert Louis Stevenson School

Mr. Nick Alexander:

Re: DAY OF SERVICE

Dear Students:

Wow! We at the Coney Island Lighthouse Mission would like to thank you so very much for all you did for us and the people we serve here in Coney Island, Brooklyn, New York. As you already know we serve children, homeless and families who are struggling to meet their daily needs. On the day you served you assisted 150 families, that's almost 500 people.

You helped us set up, distribute food bags, and cleaned up afterwards. Our afterschool program was provided with lap tops. In addition you brought along a donation so we can purchase more food for others in need. You were such a blessing!

We look forward to students from the Robert Louis Stevenson School coming to assist us serve the poor and needy of our community.

Yours,

Two handwritten signatures are present. The first is in blue ink and appears to be 'Vincent Fusco'. The second is in black ink and appears to be 'Denise Robbins'.
